

The Substitute Teacher's Guide to Obtaining Service Credit

TRS Plan 2

As a substitute teacher in one of Washington's public schools, you may qualify to participate in the Teachers' Retirement System (TRS). Membership in TRS is optional for substitute teachers.

HOW DO I ESTABLISH OR REESTABLISH MEMBERSHIP?

If you have previously established membership in TRS Plan 2 and have not transferred to TRS Plan 3 or withdrawn your contributions, you can reestablish Plan 2 membership. To do so you must:

- work as a substitute teacher for five months of at least 70 hours or more per month during a school year; and
- complete the attached *Substitute Teacher's Application for Service Credit* and purchase service credit for that year.

To learn more about TRS Plan 2, refer to the *TRS Plan 2 Member Handbook* available on the Department of Retirement Systems (DRS) Web site at www.drs.wa.gov.

Note: If you have no previous membership in TRS, you will establish membership in TRS Plan 3 when you purchase service credit for substitute teaching. Please ask your employer for a copy of the TRS Plan 3 version of this guide.

WHAT IF I'M ALREADY A MEMBER?

If you are already a member of TRS Plan 2, complete the *Substitute Teacher's Application for Service Credit* on page 3.

WHAT IF I HAVE WITHDRAWN CONTRIBUTIONS?

If you have withdrawn contributions, you must meet the eligibility requirements described above and purchase service credit to reestablish membership. Once you have reestablished membership, you can recover service credit for any withdrawn periods. For more information, refer to the publication *Plan 2 Recovery of Withdrawn or Optional Service Credit* on the DRS Web site.

HOW DO I EARN SERVICE CREDIT?

For TRS Plan 2, the school year is from September 1 through August 31. Service credit is based on the number of hours worked as reported by your employer.

Hours Worked	Service Credit Earned
Less than 630 hours or less than nine months of employment in the school year	1.0 service credit month for each month you work 90 or more hours
	0.5 service credit month for each month you work at least 70 but less than 90 hours
	0.25 service credit month for each month you work less than 70 hours
At least 630 but less than 810 hours beginning in September but less than nine months of employment in the school year	Six service credit months per school year (September 1 through August 31)
810 hours or more and begin working in September and work at least nine months of the school year	12 service credit months per school year (September 1 through August 31)

HOW DO I APPLY FOR SERVICE CREDIT?

Submit the following documents to DRS at the address indicated on the application form:

- A completed *Substitute Teacher's Application for Service Credit*, and
- A copy of any quarterly reports as required. (See below.)

WHEN DO I APPLY FOR SERVICE CREDIT?

You can apply for service credit beginning September 1 following the school year in which service was rendered.

Upon receipt of your application materials, DRS will determine the amount of service credit you are eligible to purchase and will send you a bill. If you choose to purchase the service credit, DRS will apply the service credit to your account after you make payment and will bill your employer for the employer contributions due.

HOW DO I PAY FOR SERVICE CREDIT?

Payment must be made in full in a lump sum payment. DRS accepts rollover funds directly from an eligible retirement account or IRA. For rollover information, contact DRS.

Interest Free Deadline: You have up to six months to make payment before interest is applied. If payment is made before the end of February immediately following the school year in which the service was rendered, you pay only your contributions. If payment is made after the last day of February, you will be charged interest on both member and employer contributions.

AM I REQUIRED TO SUBMIT A QUARTERLY REPORT?

You are required to submit a quarterly report to DRS along with your application for service credit only under certain conditions. You are required to submit a quarterly report to DRS if:

- You work for a school district or educational service district (ESD) and are purchasing service credit for a period of time prior to the 2004-05 school year.
- You work for a higher education employer or for the School for the Deaf or School for the Blind.

You are **not** required to submit a quarterly report if:

- You work for a school district or ESD and are purchasing service credit for the 2004-05 school year or any school year thereafter.
- Your employer begins reporting substitute hours to DRS through automated means. (You will still be required to submit quarterly reports if you are purchasing service for a period of time prior to when the employer began automated reporting.)

WHAT MUST BE INCLUDED ON THE QUARTERLY REPORT?

DRS only accepts quarterly reports issued by your employer(s). Many districts issue the report on a monthly basis so it is important to maintain a copy of your reports as you may need to include them with your application for service credit.

Each quarterly report must include:

- Your name, your Social Security Number and your employer's name; and
- The school year in which you worked; and
- The number of hours you worked each month, totaled by month; and
- The amount of compensation you earned each month, totaled by month; and
- The signature of the payroll officer or person authorized to verify the report.

If you were employed by more than one school district or ESD during the school year, be sure to submit all quarterly reports with your application to DRS.
